Introduction

The purpose behind any planning document is to provide a framework in which to complete important tasks. Having a plan allows decision makers to more easily determine where they are, where they want to go, how they will get there, and how they will know when they've arrived.

The Lehman & Lehman Planning Team was retained in January 2018 to prepare a master plan for Mooresville Parks and Recreation Department. This parks master plan was finalized and adopted by the Mooresville Park Board on April 8, 2019. It will enable the Parks to continue balanced planning for the overall park system, meeting local recreation needs within available resources, and to help the Parks and Recreation Board, community members and leaders to establish their current state of operations, their future desired state, and provide structure to help achieve their goals and to monitor their successes.

Planning Area

The planning area for this study is the area of Brown Township which contains the Town of Mooresville, which are in Morgan County, Indiana.

Planning Area Map

Master Plan Goals

Lehman & Lehman, Inc. feels that master planning is undertaken in order to achieve clearly defined strategies and objectives, and to provide recommendations for action on identified future needs tied to those objectives. We believe that the continual participation of the public in the planning process is essential. From a user's perspective, personal involvement in the identification of problems, needs, desires, and ultimately decisions, is much healthier than reacting to decisions already made by management.

The planning process needs to be continuous and must be sensitive to changes of conditions, needs, new information and opportunities. This document should not be considered the "final" plan, which can become irrelevant and stagnant. With annual reviews by the Mooresville Park Board planning will remain a productive ongoing process facilitating future actions.

The Mooresville Park Department staff and the Park Board have agreed on the following goals for the 5-Year Parks and Recreation Plan:

- Gather feedback and input from as diverse a group of Mooresville residents as possible, and report it in an accurate manner.
- Use national recreation standards, combined with a careful needs analysis to create new priorities for parks and recreation in the Town.
- Create a plan that is dynamic, and provides pertinent, useful information and guidance for the next five years in Mooresville.
- Present the plan and gain its acceptance within Mooresville community.
- Receive approval from IDNR for eligibility for application for Land and Water Conservation Fund (LWCF) grant programs.
- Use the plan as a springboard to apply for all applicable grants
- Review the Action Plan on an annual basis for the purpose of budgeting and planning.
- Strengthen and Expand Partnerships and Collaborations within the community
- Expand the effectiveness / role of the Mooresville Park Foundation as a community engager
- Collaborate with other Town Departments in economic development projects and venues and measure the effectiveness as a return on investment

Additional Studies

It has been said that the result of planning is more planning. This is true in this planning project as a few studies are recommended to occur over the next five years. These recommendations are as follows:

- Develop a Greenway and Alternative Transportation Master Plan for the Town of Mooresville.
- Develop Park Site Master Plans for key parks within the Mooresville Park System.

Park Agency Profile

Park and Recreation District Location

The Park & Recreation operations are conducted at:
1101 N. Indianapolis Road
Mooresville, IN 46158
Phone: 317.831.7149
Fax: 317.831.9569
Web: www.mooresvillepark.com

Park & Recreation District Staff

The Mooresville Park is made up of six full-time employees, plus numerous part-time and seasonal employees throughout the year.

Superintendent

- Brent Callahan

Assistant Superintendent

- Kris Wilson

Office Manager

- Stacy Freeman

Recreation Coordinator

- (Currently vacant)

Maintenance Supervisor

- Morgan Wilkins

Maintenance Technician

- Dan Luedeman

Mission Statement

The Mooresville Park and Recreation District shall provide and maintain a small town character through quality parks, facilities, open/natural space, programs and services which will enhance the physical, social, and emotional well being of all the citizens of Mooresville and Brown Township in Indiana.

Park District Goal Statements

- Promote community involvement in the planning and operation of all facets of the Parks and Recreation District operations.
- To allow for orderly growth and development of physical and natural resources.
- To incorporate within the department and its programs new technologies and processes that will make activities and services more cost effective.
- To develop systems of information and guidance to provide for a more effective delivery of activities and services.
- To more effectively coordinate park and recreation services with other county services to improve the community's total services.
- To offer comprehensive, quality recreational programming aimed at satisfying the needs of varying ages, levels, physical abilities and special interest.
- To maintain and improve the appearance of parks and existing facilities throughout Mooresville at a high standard of quality on a systematic/scheduled basis.

- To utilize the natural characteristics of the land, when evaluating its potential for parks and recreational purposes.
- To periodically assess and evaluate the recreational needs of the citizens of Mooresville and Brown Township.
- To make park and recreation participation as simple and convenient as possible to clientele and treat patrons like valued customers.
- Provide efficient and effective administrative direction, coordination and leadership for quality leisure services throughout Mooresville and Brown Township.
- To effectively communicate programs to prospective patrons through sound marketing practices.

Mooresville Parks and Recreation District Board

The purpose of the Park Board is to set policies, oversee park and recreation programs, plan, acquire and develop recreation facilities, parks and open space areas to meet future needs as the community grows.

Name, Position	Term Expires
Mark Taylor, President	December 31, 2020
Danny Shaw, Vice President	December 31, 2019
Perry King, Secretary (<i>School Board Appointee</i>)	December 31, 2019
Lynn Adams, Member (<i>Library Board Appointee</i>)	December 31, 2019
Erin Bechtold, Member (<i>Morgan Co. Circuit Court Appointee</i>)	December 31, 2022
David Pearson, Member	December 31, 2022
Brian Wiser, Member	December 31, 2021

The Park Board meets the 2nd Monday of each month. All meetings are held at 7:00pm at the Park Office, 1101 N. Indianapolis Road. The public is welcome to attend.

Relationship with the School Corporation

Currently, the Mooresville Park and Recreation Board utilizes the law allowing a School Board and Library Board appointed Member to serve on the Park and Recreation Board.

The Parks and Recreation Department also has a Memo of Understanding / Interlocal Agreement with the Mooresville Community School System for sharing a variety of facilities for programming purposes throughout the year. The Middle School uses the baseball fields at Pioneer Park for baseball and softball practice, as well as the home field for baseball games. The Park District uses the Natatorium for Lifeguard Certification courses and training. Additional spaces used are elementary and high school cafeteria/gymnasiums for parent/child dances. The trail system at Pioneer Park is used for a few school fundraising activities, such as the Pioneer Pace 5k.

The Mooresville School Corporation allows the Park District to use their school buses for out-of-school field trips for a reasonable fee and the Park District was awarded the contract to run the Rec&U Before and After School program at the elementary schools. This contract also includes use of one elementary school during the summer for a summer camp.

Other Collaborations

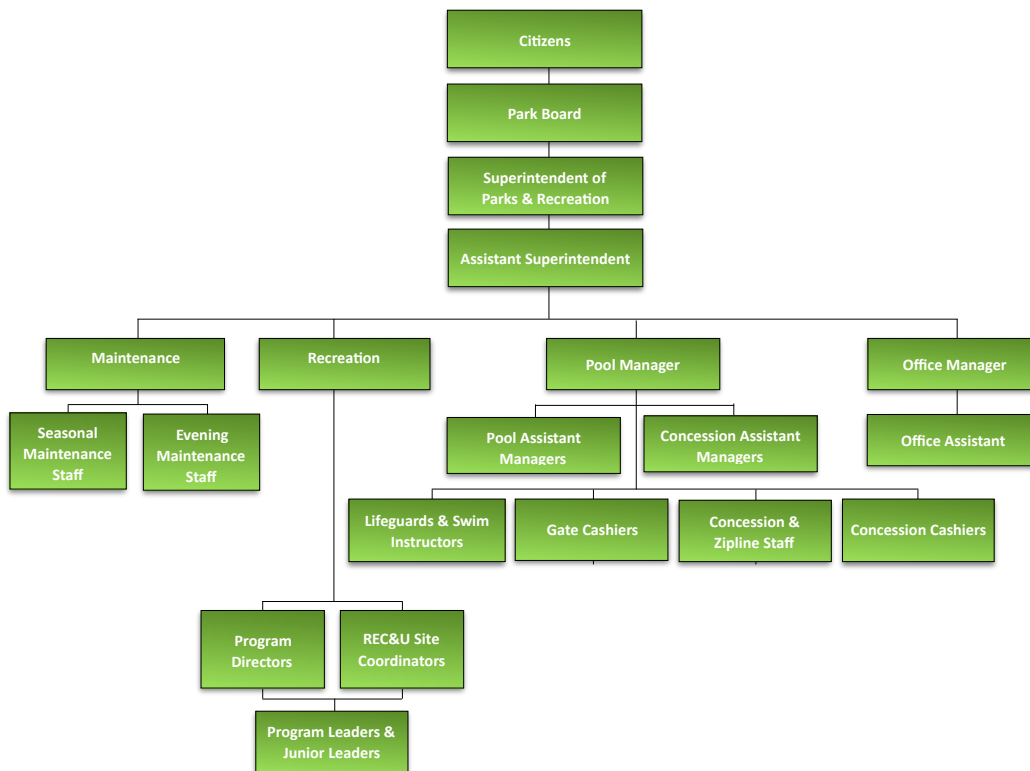

There has also been collaboration for programming with area groups and organizations. The Park District continues to look for partnership in presenting programs and improving services with the following:

- Mooresville Consolidated Schools
- Healthier Morgan County Initiative
- Youth Organizations (Baseball, Soccer)
- Lions Club
- Delta Theta Tau
- Mooresville Public Library
- Mooresville Main Street
- Mooresville Chamber of Commerce
- Tri Kappa
- Mooresville Redevelopment Commission

These creative partnerships need to be continually nurtured to maximize mutual benefits in the areas of programming and facilities for the community.

Organizational Structure

The organizational chart below illustrates how the roles, power and responsibilities are assigned, controlled, and coordinated, and how information flows between the different levels of management of the Mooresville Parks Department.

Town's Fiscal Resources

The Mooresville Park and Recreation Board's main source of Departmental Funding comes from property tax levy and the issue of bonds for capital projects. Traditionally, the Park Board has used the Park Fund to finance the administration, programming, supplies, maintenance and day-to-day operational expenses. The Town's Tax areas include food & beverage, property taxes, certified shares, tax incremental financing, motor vehicle highway, cigarette tax, excise tax, alcoholic beverage tax, and bank building and loan tax. The monetary source of the Park Fund is property tax, excise tax and department revenue.

Departmental Budget

The table below represents the departmental spending from 2015 through 2019.

	2015	2016	2017	2018	2019

Park and Recreation Facility Inventory

The Mooresville Park & Recreation District park system consists of five parks within the Town of Mooresville. With a total of 184.68 acres, there are many leisure time activities available to Mooresville residents, including baseball, basketball, volleyball, swimming, and the Soaring Eagle Zip Line. There are also 3.00 miles of trails, open space and playgrounds in the parks ranging in size 0.13 acres (Hadley Memorial Park) to 152 acres (Pioneer Park).

Park and Recreation Facilities

The map below indicated the location of each park property of the Town of Mooresville. Each park has its own unique qualities as described on the following pages.

Bicentennial Park /Hadley Memorial

Located at 2 E. Main Street @ Indiana Street – .13 acres

Bicentennial Park /Hadley Memorial Park is a multi-purpose urban park that serves as both a Gateway to downtown Mooresville, a new recreation amenity for the community and a memorial to Paul Hadley, designer of the State Flag. The memorial to Paul Hadley includes a modified version of the state flag torch and a limestone outline of the State of Indiana, a spray plaza, multipurpose events lawns, tables and seating, a covered stage area, green screen walls and a time capsule which was used in conjunction with Indiana’s bicentennial celebration in 2016.

North Park

Located in Highland Meadows – 5.86 acres

This neighborhood park contains is divided by Goose Creek and bordered by residences on Greenwood Drive, Crestwood Drive, Sweetwood Drive, Maple Lane and Rose Lane. Activities located in this park site include picnicking, one picnic shelter, playground, one basketball court and volleyball courts. This park is passive in its character serving a local neighborhood.

Old Town Park

Located South & Park Streets – 7.99 acres

This neighborhood park is the oldest park in Mooresville dating back to 1877. Old Town Park is bounded by East South Street, Park Drive, State Road 67 and High Street, with East Fork White Lick Creek running through the property. Activities found in this park include a shelter, playground, a log cabin for Boy Scouts usage, restrooms, and water fountains.

Pioneer Park

Located at 1101 N. Indianapolis Road – 150 acres

This community park site serves as the main park in the Mooresville system and has East Fork White Lick Creek running through it. The Park District's office and maintenance center is located in this park site. Activities located in Pioneer Park include the Mooresville Family Aquatic Center, Soaring Eagle Zip Line Ride, seven picnic shelters, playgrounds, six baseball diamonds, soccer fields, three horseshoe courts, a sand volleyball court, and a paved walking/jogging trail around the majority of the park site. This park is the site for many seasonal activities and festivals.

Rooker Run Park

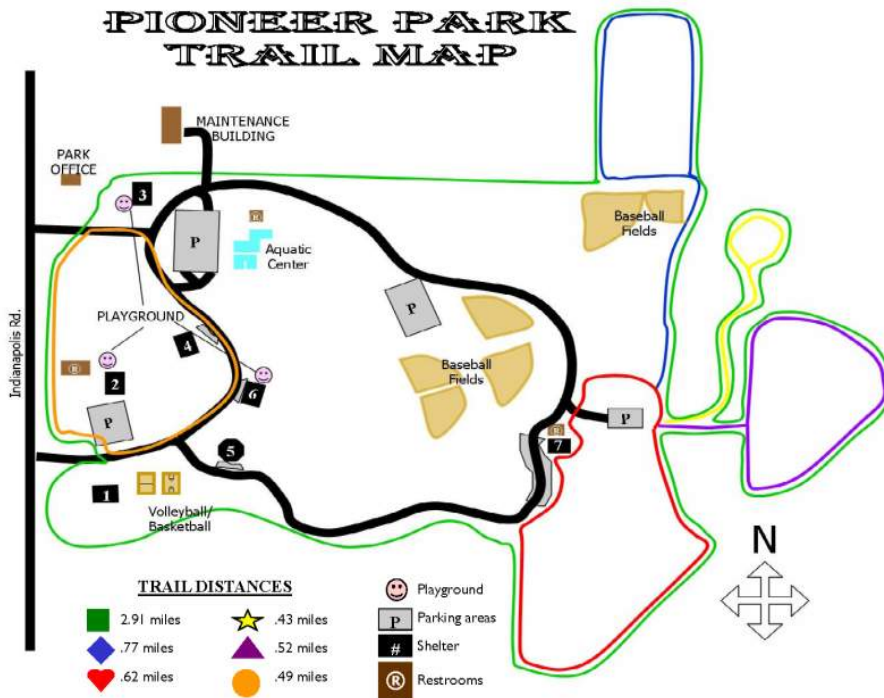

Located on E. Fork White Lick Creek – 18.70 acres

The land for Rooker Run Park was donated to the park district by the developer in 1995. It is a low-lying open area on the East Fork White Lick Creek with a raised area at the entrance of the park. A playground and shelter were added to Rooker Run Park in 2006.

Trails and Greenways

Pioneer Park currently has approximately 3 miles of paved multi-use trails:

Multi-Modal System Assessment *(Source: Mooresville Comprehensive Plan, August 2009)*

It is recommended that the Town both conserve and extend its bicycle and pedestrian facilities, in order to provide opportunities for multi-modal transportation. As guidance to this, the Indianapolis MPO published a Regional Pedestrian Plan in November of 2006, which included an analysis and recommendations for the Mooresville area. The MPO Plan recommended the historic downtown area as a pedestrian district, with local sidewalks that connect to external pedestrian systems.

In terms of multi-modal transportation, the Town's first priority should be to improve sidewalks within the corporate limits to connect neighborhoods, parks, downtown, businesses, etc. A secondary focus should be to establish external pedestrian systems such as multi-use paths (i.e. for both pedestrians and bicyclists), located within the road right-of-way or in separate right-of-way. Multi-use paths within the road right-of-way are recommended for major roads, such as SR-67, Hadley Road, and Indiana Street. Multi-use paths in separate right-of-ways could be used in non-vehicular areas, such as White Lick Creek.

A multi-use path along White Lick Creek would provide a pedestrian and bicycle link to Brooklyn, and could extend even further south to the White River. Concurrent to this Plan, the Morgan County Comprehensive Plan includes a White River Greenway component, which proposes a trail along the White River throughout all of Morgan County. In consideration of this possible link, the Town may want to reserve right-of-way along White Lick Creek, with the goal of constructing a future trail.

Improvements and Special Events in Past Five Years

Mooresville Parks continues to make the park system one the community can be proud of – in appearance, offerings, as well as in safety. Highlights of the Improvements and Special Events of the past five years are listed below.

2013

Improvements

- 600' Soaring Eagle Zip Line and Ticket Office Installed
- Sherwin Williams repainted part of Bath House as a community donation
- Memorial benches were donated in Memory/Honor of the following:
 - Jim Ransome - former long-term Park Board member
 - John & Edna Bagley
 - Bobby Stevens
 - Brenda Farrington Fuller
- Implemented new website
- Credit card payments accepted at Pool and Zip Line
- Received Kendrick Grant for REC&U health and fitness component
- New playgrounds at Shelter Houses #3 & #6
- Installed new swing sets
- Zydecos donated 2 dog drinking fountains
- New copier purchased for office
- Installed new 2-shoot slide at Aquatic Center
- Expanded REC&U program to 3 schools

Special Events

- Kite Day
- Easter Egg Hunt
- Mooresville Bike Race
- HPV Race
- Pedal for Parks (in conjunction w/ Danville Parks)
- Touch A Truck
- ABATE -Rollin for Kids -charity bike ride
- 25111 Anniversary Pool Party
- Mooresville Fireworks Celebration
- Old Settlers Festival
- Core Fitness Dirty Dash Mud Run & 5K
- Snores & S'mores Family Campout
- Mooresville Grand Prix
- Halloween Hike
- Pioneer Pace 5K

2014

Improvements

- Pool walls repaired & pipes replaced
- Purchased new truck
- New digital sign
- Seal coated and repaved various walking trails
- New basketball court
- Rebuilt sewer lift station
- New roof at soccer field restrooms
- Rewired boy scout cabin
- 2 new flower beds
- Baseball shelter converted to storage
- New memorial benches
- New Pool Heater
- New grills and picnic tables
- New concession freezer
- Pool service road and Zipline parking paved
- Continued invasive species removal
- New colored photo ID membership passes

Special Events

- Doggone Delightful Dog Walk
- Easter Egg Hunt
- Mooresville Bike Race
- Pedal for Parks (in conjunction w/ Danville Parks)
- Touch A Truck
- Arts in the Park
- Mooresville Fireworks Celebration
- Old Settlers Festival
- Dirty Dash Mud Run
- Snores & S'mores Family Campout
- Mooresville Community Day
- Halloween Hike
- Pioneer Pace 5K

2015

Improvements

- New Walking Trail in Woods
- Purchased Gazebo Picnic Tables
- Tobacco Free Park Policy
- Born Living Trail Repainted
- Dedication of Basketball Court in Memory of Jim Ransome
- Computer & Internet Access for Maintenance Facility
- Purchased New Touch Screen Monitors for Pool
- On-line Registration
- Installation of Digital Sign
- Began Renovation of Concession Stand at Aquatic Center
- Installation of Main Pool Heater

- Replaced Playground Slides
- Continued Repairs to Pool Walls & Concrete Deck
- Purchased Replacement for Large and Small Dump Truck
- Installed Donated Little Library in Park
- Removal of Some Invasive Species
- Removed Large Number of Dead Elm Trees

Special Events

- Morgan County Humane Society Doggone Delightful Dog Walk
- Easter Egg Hunt
- Mooresville Bike Race
- Pedal for Parks (in conjunction w/ Danville Parks)
- Touch A Truck
- Mooresville Fireworks Celebration
- Old Settlers Festival
- Pioneer Pace 5K
- Snores & S'mores Family Campout
- Mooresville Motor Sports Day
- Halloween Hike
- Cal Ripken 11U/12U State Tournament

2016

Improvements

- Replaced all Roofs in Pioneer Park
- Purchased 3 portable restrooms
- Purchased 12 steel picnic tables, 7 benches and 6 sets tables & chairs (concession area)
- Purchased 3 commercial freezers, 1 commercial refrigerator, 3 stainless steel tables
- Purchased 2 soft serve machines
- Purchased 2 large screen TVs
- Purchased and installed Dri-Deck flooring in the bathhouse
- Purchased 2017 Dodge Caravan
- Purchased portable stage
- Purchased 2 sheds for Splash Pad chemicals
- Installation of training pool heater
- New Pool chemical controllers
- New pool chemical storage tanks
- Repainted main pool
- Purchased new John Deere XUV
- Hired new full-time Recreation Coordinator
- Removal of Some Invasive Species
- Removed Large Number of Dead Ash Trees

Special Events

- Hope House Hustle 5K
- MHS National Honor Society Miles for Mutts
- Easter Egg Hunt
- Mooresville Bike Race
- Pedal for Parks (in conjunction w/ Danville Parks)

- Touch A Truck
- Mooresville Fireworks Celebration
- Old Settlers Festival
- Morgan County Humane Society Paws in the Park
- Pioneer Pace 5K
- Mooresville Motor Sports Day
- Halloween Hike
- Cal Ripken 12U State Tournament

2017

Improvements

- Purchased additional property adjacent to Pioneer Park
- Purchased brush cutter
- Added concrete pad for Pioneer Park Control Line Flyers
- Purchased 2018 Ford Explorer
- Hired replacement Full Time Maintenance Technician
- Replaced surface at pool playground
- Removed dead ash trees
- Repaired trails
- Rebuild pool playground shade structure
- Repaired playground equipment
- Replace all bollards in Pioneer Park
- Switched to VOIP internet and phone system
- Added fiber in park (office, maintenance building, aquatic center)
- New WIFI public hotspots
- Leveled field by maintenance facility
- Added 14 park bench locations
- Created new full-time staff emails
- Resealed expansion joints at Aquatic Center
- Leased new caper

Special Events

- Hooray It's a Jubilee 5K (St. Thomas More)
- Easter Egg Hunt (Carpenter GMAC Realtor)
- Touch A Truck
- Mooresville Fireworks Celebration
- Old Settlers Festival (Lions Club)
- Morgan County Humane Society Paws in the Park
- Pioneer Pace 5K (MHS Basketball)
- Mooresville Motor Sports Day
- Halloween Hike
- Flagtown 5k/10k (Delta Theta Tau)
- Boy Scout Merit Badge campouts

Compliance with State and Federal Regulations

Americans with Disabilities Act (ADA)

The Americans With Disabilities Act (ADA) was signed into law on July 26, 1990, by President George H. W. Bush. This law is an attempt to achieve inclusion in society for individuals with disabilities. It does this by codifying requirements that create the conditions to permit individuals with disabilities of all kinds equal access to all parts of society. The ADA differs from the individual state discrimination laws in that it has a more sweeping range and applies retroactively to existing facilities.

The ***Town of Mooresville, Indiana Americans with Disabilities Act Transition Plan 2013*** can be found in the Appendix of this document. The ADA Coordinator designated by the Town of Mooresville is Ms. Chris Armstrong, Community Development Director.

The ADA Grievance Procedures, as referenced in the ADA Transition Plan, can be found in the Appendix of this document. Grievances may be directed to:

Dave Moore
4 E. Harrison Street
Mooresville, IN 46158
(317) 831-9545

The Mooresville Park & Recreation Department complies with the Americans with Disabilities Act (ADA), which prohibits discrimination in the provision of services, programs or facilities to individuals with disabilities

Mooresville Parks & Recreation Accessibility

The Town of Mooresville strives to provide park and recreation facilities and programs that are accessible to people with disabilities. Every effort is made by the Mooresville Parks and Recreation Department to provide accessible facilities as plans are made for the improvement and expansion of park facilities. These efforts include, but are not limited to, provision of accessible play equipment, shelters, picnic tables, and restroom facilities for all new park improvements.

The Mooresville Parks and Recreation Department is committed to improving access to all of its facilities as the needs and requirements of the population evolve. Annual assessments are conducted for accessibility of facilities. Older facilities are brought into compliance on an annual basis based on replacement schedules and priority.

The Park Board and Park Department are committed to providing ADA upgrades with renovation projects and in implementing Universal Design principles with each new project development.

Current ADA issues have been included in the Action Plan in Section E of this document.

Community Profile

History of the Town of Mooresville

In 1824, Samuel Moore, a North Carolina Quaker, laid out the plans for the land he purchased for \$2.00 an acre in 1823. He called it Mooresville, after his last name. Samuel chose this location because of the delta that laid between the east and west forks of White Lick Creek. This land had a fertile bottom ground and water to power mills. He set aside 16 lots within four 5 acre blocks. Mr. Moore would not allow a public sale of the lots, but gave the lots to desirable citizens.

Asa Bales built the first cabin in the town. Samuel Moore Rooker was the first child born in town and was named for and by Samuel Moore. Mr. Moore constructed a frame building on the northeast corner of the public square, from which he sold his merchandise.

In 1826 Alexander Worth & Company opened the second store and also built a woolen mill. The first school society in Mooresville was organized in Samuel Moore's store in 1828.

Also in 1828, Samuel Moore married Eliza Worthington of Madison, Indiana. Eliza was a Methodist and both the Quaker and Methodist denominations were prominent in the early development of the community.

By 1831 the population of Mooresville had grown to 200. The town was incorporated in 1838. The Mooresville Chronicle was established in 1846 and lasted four years. In 1872, the first bank, Savings Bank of Mooresville, was established. Samuel Moore died in 1889, at the age of 90.

Mooresville adopted "Home of the State Flag" as its slogan in 1966, in honor of Paul Hadley, the Indiana state flag's designer. Mr. Hadley was a well-known watercolor artist and lived in Mooresville for many years.

Mooresville's population grew from 200 in 1831 to 2,000 in 1900 to just over 10,000 today.

Location of Mooresville

Mooresville, Indiana is a town located in the heartland of America that combines a small town atmosphere with the benefits of a big city. It offers a beautiful mid-western setting for high quality family life. Just 10 miles southwest of the state capital, Indianapolis, Mooresville is located next to a major distribution center and international air hub. Because of all it has to offer, Mooresville is the "Crossroads of Progress" and is becoming the new home of many businesses and families.

Mooresville is in Brown Township, Morgan County, Indiana, as indicated in the map.

Transportation *(Source: Mooresville Comprehensive Plan, August 2009)*

The main form of transportation in Mooresville is by passenger vehicles.

Bus service such as Greyhound and Amtrak trains are available for Mooresville residents out of nearby Indianapolis. The nearest airport to Mooresville is the Indianapolis International, located approximately 10 miles northwest of town.

IndyGo, the Indianapolis Public Transportation Corporation, provides commuting services to the region. IndyGo's Comprehensive Operational Analysis Plan of 2005 recommends an express/local route from Plainfield and Mooresville to the Indianapolis International Airport and downtown Indianapolis.

Multi-Modal System

The existing streets near downtown Mooresville have sidewalks for pedestrian use. In addition to this area, there are also sidewalks or bike paths within recent residential developments. Recreational trails for pedestrian or bike uses are available at Pioneer Park, which is on the northeast end of town.

Landersdale Trail is a 1.72-mile long bicycle and pedestrian trail that has been constructed east of Mooresville. The trail travels along Landersdale Road and Bridge Street to Heartlands Crossing subdivision, linking Mooresville to both Madison Township in Morgan County and Decatur Township in Marion County. Funding for the project was through a grant with the Indiana Department of Transportation (INDOT). The project will, eventually, connect to the existing Indy Parks Bike Route in Indianapolis.

Local Streets

As the Town provides improvements to town streets, sidewalk improvements and other amenities will be considered with the goal of connecting neighborhoods to various destinations within the Town.

Major Employers *(Source: Mooresville Comprehensive Plan, August 2009)*

Mooresville's largest industries are manufacturing and educational, health and social services. The town's proximity to Indianapolis is a clear benefit to the local economy.

- Mooresville Consolidated School Corporation
- TOA USA LLC
- Nice-Pak Products, Inc
- St. Francis Mooresville Hospital

Education

The Mooresville Consolidated School System has one high school, one middle school and five elementary schools. There is also a private school – Mooresville Christian Academy, which serves pre-kindergarten through eighth grade students. Total enrollment is approximately, 4,600 students.

The closest post secondary education options are in Indianapolis, where the University of Indianapolis Ivy Tech and Indiana University-Purdue University Indianapolis have campuses.

Natural Resources *(Source: Mooresville Comprehensive Plan, August 2009)*

Rivers, Lakes and Streams

The White River runs from the northeast corner of Morgan County to the southwest corner. It is located approximately five miles to the east of Mooresville. It is listed as an outstanding river by the Indiana Department of Natural Resources Division of Outdoor Recreation and the Natural Resources Commission. An outstanding river is a body of water that has particular environmental or aesthetic interest. White Lick Creek is the most notable stream that runs through town. The East Fork of White Lick Creek splits off just south of the corporate limits and flows through the east side of town.

Floodplains

The White Lick Creek floodplain follows White Lick Creek through Mooresville. In some locations, the floodway for White Lick Creek spreads a considerable distance from the creek itself. This occurs mostly around the main branch of the creek on the west side of town. The floodway fringe extends even further beyond the floodway. The serious damage caused by flooding in Morgan County in June of 2008 provides evidence of the need to protect and manage floodplains more effectively. Seasonal flooding within the floodway occurs on an annual basis in park sites that border the rivers and creeks,

Wetlands

According to the National Wetland Inventory, a number of wetland areas are located throughout Morgan County, many near streams and lakes. Most wetlands lie outside the corporate limits of Mooresville, with the exception of wetland areas along White Lick Creek. The National Wetland

Inventory is a guide that shows where wetlands may occur, but it is by no means complete. If wetlands are suspected in an area to be developed, a wetland delineation must be performed by a wetland consultant to determine the presence of wetlands on the specific site. Natural wetlands provide a variety of useful functions for the environment.

In addition to providing recreational opportunities to people, wetlands also provide essential habitats to many threatened and endangered species. Wetland plants filter pollutants out of the water that flows through them. As a result, our surface and drinking waters are cleaner and safer. Wetlands also protect surrounding areas from floodwaters because they absorb and slowly release the water, prevent erosion of stream banks, and recharge aquifers that provide many peoples' drinking water.

Groundwater

Groundwater is an important source of domestic drinking water in the area. Several public water systems service the Mooresville area, and each has prepared a wellhead protection plan to identify potential contamination sources for the drinking water (groundwater) and to develop a contingency plan if contamination should occur. Each wellhead protection plan designates a Wellhead Protection Area, which is an area surrounding the water system's source wells where certain activities are restricted in order to protect the water supply. Wellhead Protection Areas for smaller water supplies are typically a fixed radius surrounding the source wells. For larger

water supplies, the Wellhead Protection Areas are non-uniform shapes that are determined by the groundwater flow in the area.

Unfortunately, the Parks Department and staff have limited resources to provide educational programs for the interpretation of elements such as the Wellhead Protection Areas.

Steep Slopes

Mooresville was formed by the natural resources and characteristics of the area in which it lies, in Brown Township and Morgan County. Because of the Ice Age glaciers, and where they stopped, Indiana is home to two distinct types of landscapes. The plains of the north are flat, with seemingly endless fields of corn. In contrast, the landscape of southern Indiana is hilly with great stands of forests, on land that was shaped not by ice, but by the great floods caused by melting ice.

Mooresville's fringe area includes steep, forested slopes. Along with the riparian corridors and agricultural areas, these topographic areas help the areas surrounding Mooresville maintain their rural character.

Wildlife Habitat

Wildlife exists everywhere. Woodlands, caves, agricultural lands, wetlands, lakes and streams are all homes for many different species of animals. When these areas are disturbed by development or other human activities, the animal and plant populations that live there can suffer.

The Indiana Department of Natural Resources Division of Nature Preserves publishes a list of threatened and rare species by county in Indiana. The list for Morgan County includes many mollusk and bird species, as well as some fish, amphibians, reptiles, insects, mammals, and plants. Specific locations of endangered species are kept confidential for the purposes of protecting those species.

Summary

While the community plans to make progress toward several different environmental goals, two priorities have risen to the top in this process.

First, the community has made a renewed commitment toward protecting their floodplains from development. The June 2008 floods reinforced to the community the need to protect their flood plains and limit development in them accordingly. This priority plan designates undeveloped floodplains only for uses such as parks, open space and agriculture. It also goes further than most plans by not showing future development anywhere in a 500 year floodplain (not just the 100 year).

Second, the priority plan directs future development to where there is already sufficient water /wastewater infrastructure in place. The land use plan encourages short-term residential development to occur directly adjacent to the town in areas where utilities already exist to support development. It further directs development away from the south and west sides of the town, where there currently are no sanitary sewers. This approach will help reduce urban sprawl, will minimize problems historically associated with failing on-site septic systems in the area, and will help keep the city from overextending infrastructure.

Historic and Cultural Features *(Source: Mooresville Comprehensive Plan, August 2009)*

Mooresville is fortunate enough to have three locations on the National Register of Historic Places, including the center of downtown Mooresville. These include Mooresville Commercial Historic District and Mooresville Friends Academy Building / Quaker Academy, both featuring architecture / engineering from 1850-1875, and Mooresville Gymnasium / Newby Gymnasium from 1900-1925.

Mooresville has several festivals through the year including the Old Settlers parade and picnic and the Victorian Christmas Celebration held every December. The Victorian Christmas Celebration is organized by the Mooresville Revitalization Group, Inc. and funded by contributions of local businesses and supporters.

Mooresville adopted “Home of the State Flag” as its slogan in 1966, in honor of Paul Hadley, the Indiana state flag’s designer. Mr. Hadley was a well-known watercolor artist and lived in Mooresville for many years.

Other famous residents of Mooresville include John Dillinger, known for his bank robberies and escapes from the authorities, who spent his adolescence in Mooresville and Amos Rusie, also known as “The Hoosier Thunderbolt,” baseball’s hardest throwing pitcher in the 1890s.

The Town has enhanced the downtown with the renovation and public space enhancement of Bicentennial Park. This new park/public space serves as an entertainment venue for the Town and community with scheduled programs and events.

The Park Department’s continued facility upgrades and new developments continue to have great impact on the cultural features of the Mooresville community.

Demographics *(Source: Decision InSite/Mission InSite)*

Demographic information is useful in the Master Planning process as the park system prepares to meet ongoing and changing needs based upon the existing and future population changes and characteristics. This information can also guide the park department as it determines strategic actions, promotion and improvement of quality of life venues for the community.

Population is the most basic demographic characteristic. It indicates how many persons reside within an area and how that total changes over time. In addition, future population is forecasted looking out 10 years.

Because Mooresville Parks provides services for the citizens of Brown Township the following information includes the entire township.

Population and Household History with 5 and 10 Year Projected Change

NOTE: Family Household data is not projected out 10 years.

Population, Households & Families					
	2000	2010	2017	2022	2027
Population	13,491	12,973	13,098	13,357	13,583
Population Change		-518	125	259	226
Percent Change		-3.8%	1.0%	2.0%	1.7%

Households Change		22	34	100	88
Percent Change		0.4%	0.7%	2.0%	0.0%
Population / Households	2.68	2.57	2.57	2.58	2.57
Population / Households Change		-0.11	0.01	0.00	-0.00
Percent Change		-4.3%	0.3%	0.0%	0.0%
Family Households	3,824	3,617	3,478	3,559	
Family Households Change		-207	-139	81	
Percent Change		-5.4%	-3.8%	2.3%	

Family households with children are changing. The traditional married couple structure is evolving into many different family expressions in which children are being raised. This data provides an insight into the family structures within the study area and then compares them to the state.

This table presents both the history and projections for family structures in the study area. Take note of the change column to discern how these family structures have changed and are projected to change in the future.

Households with Children	Actual Hhlds by Year			2010 to 2022	Percent of all Hhlds by Year			2010 to 2022
	2010	2017	2022	Change	2010%	2017%	2022%	% Change
Family: Married-couple	1,153	899	839	-314	64.3%	66.7%	64.7%	0.4%

Financial resources available is an indicator of community opportunity or distress. Three variables are presented in this category: 1) Household Income, 2) Family Income and 3) Poverty.

Income Trends: Households and Families				
	2010	2017	2022	2010 to 2022 Change
Average Household Income	59,039	63,977	68,568	9,529
Median Household Income	47,813	53,838	57,171	9,358
Per Capita Income	22,996	24,847	26,627	3632
Median Family Income		62,514	62,099	62,099

Poverty

Poverty Level	Pop	Area % Pop	IN % Pop
Above poverty level	3,150	90.6%	89.2%
Below poverty level	328	9.4%	10.8%
Total	3,478	100.0%	100.0%

Demographic / Socio-Economic Analysis

The population of Mooresville/Brown Township has increased from 12,973 in 2010 to 13,098 in 2017 and is projected to reach 13,583 in 2027. The largest section of the population is between 35 – 54 years old (25.7%). This group consists of “Families and empty nesters”.

Recent trends show this age-group pursues active recreation such as softball, visits to zoos and theme parks. As they age preferences turn to tennis, golf, skiing and jogging. Those 65 and older have become more active than in the past and are staying active longer, recognizing that regular physical activity substantially increases life expectancy and improves quality of life.

Income may increase as the residents’ age and many families expand to two incomes, which could provide more discretionary funds for entertainment. The median household income for Mooresville/Brown Township residents is \$53,838, higher than the median household income for the State of Indiana (\$52,289). The Mooresville/Brown Township population that is below poverty level (9.4%) is less than the State rate of 10.8%.

Just over forty one percent of the population has received a high school diploma, or equivalent; 15.2% have attained a bachelor’s degree or higher.

Mooresville/Brown Township is a predominately white community (97.3%) with a growing number of those of Hispanic origin (1.1%).

Recognizing all of the components that make up the Mooresville population, as well as the projected growth, will help the park department determine strategic actions, promotion and improvement of quality of life venues for the community. The strategic implementation of actions will need to be studied and evaluated on an annual basis.

Section D: Public Participation

Park and Recreation Issues	Page D – 3
Public Meetings and Presentation of the Plan	Page D – 3
Park Board Retreat and SWOT Analysis.....	Page D – 4
Community Survey	Page D – 5
Park Board Meetings	Page D – 10

Public Participation

Park and Recreation Issues

From the Public Survey responses and discussions with the Town’s leadership, Town Council and Park Board the issues facing the Mooresville Park Department include the following:

- Trails/Sidewalks/Greenways connections within the community along with connections outside the Park District.
- Continual upgrades and renovations of existing sites and facilities.
- Park land opportunities in new stand-alone sites or expansion of existing park sites.
- Renovation of existing, and construction of new restroom facilities where needed.
- Partnerships and collaborations within the community.
- Potential for year-round facility and programs (i.e., Community or Recreation Center).

Public Meetings and Presentation of the Plan

As part of the master plan process solicitation from the general community, stakeholders and Park Board as well as the departmental staff, and others, was conducted.

- A community survey was prepared for online participation via Survey Monkey and was available from November 20, 2018 until January 7, 2019. The survey was advertised on social media and the Town /Park websites, as well as through school newsletters. A total of 154 responses were collected during that time (1.18% of current population).
- SWOT Analysis with Park Staff (March 2019)
- Park Board Meetings – Discussion of the Master Plan priorities (March 2019)

The following pages document the discussions regarding issues raised, the Community Survey responses, and summarize the findings gathered during the public participation.

Park Department Retreat SWOT Analysis

Mooresville Park Department SWOT Analysis					19-Mar-19
Park or Dept	Strengths	Weaknesses	Opportunities	Threats	
Park Board and Department	Strengths	Weaknesses	Opportunities	Threats	
	Community engagement and support	The need for full time and part time staffing	Facility expansions and updates	Competition of community venues	
	Experience of the Park Staff	School Calendar limits seasonal staff and uses	More opportunities for collaborations and partnerships	All of the facilities are seasonal	
	Partnership with the Schools	Serving the Senior Demographic	Community expectations of Park Facilities and Services	As new facilities come on line the need for operational sustainability	
	Town and other Department Support	Competition of community venues	Grant opportunities for funding (i.e. trails, etc.)	Community expectations of Park Facilities and Services	
	History and Experience of the Park Board	Size of Department (number of staff and facilities)	Connectivity to communities adjacent to Brown Twp.	Changing demographics of work force	
	Community engagement and support with Park Board	Effective Marketing of programs and services	Partnership with Morgan County Parks Dept.		
		May need to have additional policies by the Board	Recent update of web site and registration software		
		Board's knowledge of the scope of what the Park Dept does			
		All of the facilities are seasonal			
		Serving Base is far smaller than the Tax Base			
		Community-based facilities with a regional draw			
Pioneer Park	Strengths	Weaknesses	Opportunities	Threats	
	Serves as a regional designation	Seasonal uses limits year round	Variety of healthy venues of activities	Potential over use	
	Variety of Opportunities and Uses - Multiple Uses	Seasonal flooding	Inter-generational programming	Flooding limits schedule opportunities	
	Site is blessed with utility availability	Not enough acres to accommodate weekend venues	Family Reunions	Availability of Seasonal Help	
	Annual invasive species program	No utilities on the east side of the property	Potential of park expansion	School Calendar limits seasonal staff and uses	
		Need to upgrade Aquatics and venues			
		Limited Parking (350 cars)			
		Limited Shelters (7) for the demand			
		Tucked away - hard to find			
		Invasive species in vegetation			
		Limited expansion of the park boundaries			
North Park	Strengths	Weaknesses	Opportunities	Threats	
	Serves the adjacent neighborhood	Many areas of the park are hidden in view		The changing demographics of the adjacent neighborhood	
		The recent drainage engineering has detracted the aesthetics			
		Many buried utilities in the park			
		Maintaining the park is not the most efficient			
Bicentennial Park / Hadley Memorial	Strengths	Weaknesses	Opportunities	Threats	
	Visual appealing	Streets need to be closed to use the entertainment - main street in Town	Viable entertainment	Restrooms in the downtown - hard to maintain	
	Entertainment venue	Owned by the Redevelopment Commission and operated by the Parks Dept.	Partnership with Main Street Association and others	The technology (lighting, sound, etc.) is above the level of maintenance	
	Has been a boost for local businesses	Lack of benches and seating and amenities during non-entertainment	Venue for Community events		
	Provides restrooms in the downtown	Limited amount of parking	Potential for programming		
		Park Dept does not have oversight on the use of the facilities			
		Site is limited for larger venues and expectations of the Town			
Old Town Park	Strengths	Weaknesses	Opportunities	Threats	
	History of the Park and Town (was the first park)	Restrooms (outdated no ADA compliance)	Pickleball	Deteriorating structures (scout cabin and restrooms)	
		ADA accessibility		Continued industrial development around the park	
		No trail access			
		Area is "industrial" uses			
		Some flooding along creek (no usable space)			
		Limited parking			
Rooker Run Park	Strengths	Weaknesses	Opportunities	Threats	
	Large open play area	Seasonal flooding		No neighborhood association with the adjacent neighborhood	
	Natural trail along the creek	No parking			
		Contains the storm water detention basins for the Rooker Neighborhood			

Community Survey Summary

A community survey was prepared for online participation in November 2018. The survey was advertised on social media and the Town /Park websites, and through school newsletters. A total of 154 responses were collected upon closing of the survey on January 7, 2019 (1.18% of current population).

Usership of Parks – Question #1 asked how often respondents visit or use Mooresville Parks and/or Programs. The majority (38%) responded “21 or more times per year”. Communication is key to the usership of the parks. As improvements are made to the parks, and connections to the key park facilities throughout the system, they should be communicated to the public, which will, in turn, help increase usership.

Image of the Parks – When asked, in Question #2, what components/amenities respondents associate with the existing parks Multi-use trails (70%) was the top response, followed closely by Playgrounds (69%) and Natural Areas (67%). Recent trends indicate a growing active population. By continuing to maintain the trails and connecting amenities of the park system residents will respond.

Communications of Parks and Programs – Question #3 referred to which marketing tool was most often used for receiving information about the Park Programs and Facilities. The top two responses were 1) Facebook, and 2) word of mouth. Communications of the activities, special events and programs offered by the Parks will be critical in connecting with the residents. While the Parks Department has a vibrant Facebook Page, it is suggested that they consider engaging themselves with other social media such as Twitter, Instagram, Snapchat, Google+ and Blogs. These types of communication channels are greatly used by the younger generations.

Future Planning (Facilities) – Question #4 asked what should be the top facilities priority to focus on completing within the next 5 years? The top answer (125 responses) was to “Develop indoor recreation space”, followed by “Expand trails and pathways” (91 responses)

Future Planning (Programs) – Question #5 asked what should be the top programming priority to focus on completing within the next 5 years? The responses were pretty even and gave only a slight preference to Youth/Teen Programs (69 responses) followed by Leisure Recreation Services (67 responses).

Improvements – To gain insight about what elements for improving the parks are needed but not currently provided respondents were asked in Question #6 to write-in their thoughts/suggestions. The most popular response was the need for an indoor sports/recreation facility for year-round use.

Place of Residence – The survey asked some demographic questions. Of the responses just over 60% said they live within the Town of Mooresville. This indicates the parks are enjoyed and supported by the local community.

Age of the Responder – The highest response to this survey was from the age group between “35-44” followed by the group between “45-55”. It should be pointed out that the lowest response was from the “18-24” age grouping.

Families – Nearly 69% of respondents stated that there are school-age children living in their household.

Gender – Nearly 60% more females than males responded to the survey.

Responses to the Survey are below. Comments, suggestions and other remarks given are provided in the Appendix of this document.

Survey Responses

Q1 How often do you take advantage of Mooresville Park Programs or visit a Mooresville park/facility?

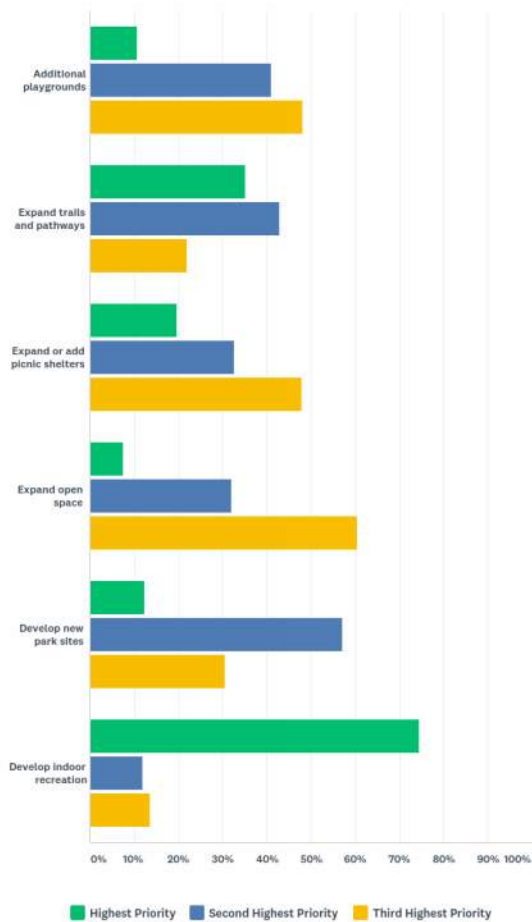

Q2 What components/amenities do you associate with the existing Mooresville Parks? (Check all that apply)

Q3 How do you receive information about Park Programs and Facilities? (Check all that apply)

Q4 What should be the top priority the Park District should focus on completing within the next 5 years? (FACILITIES)

Q5 What should be the top priority the Park District should focus on completing within the next 5 years? (PROGRAMS/SERVICES)

Q6 What elements for improving Mooresville Parks are needed but not currently provided?

(See Appendix for comments, suggestions and remarks given for this question. Total Respondents: 94)

Q7 Where do you reside?

Q8 Please indicate your age group.

Q9 Are there school-age children living in your household?

Q10 What is your gender?

Park Board Meetings

The planning process and progress of the Master Plan update was reported at Park Board meetings, held on the 2nd Monday of each month at the Park Office. The public was invited to attend these meetings, however there was little to no public attendance with no comments or suggestions.

The presentation of the final master Plan was shared with the Park Board at their meeting on April 8, 2019. The public was invited to attend and to make comment. No member of the public attended.

Proposed Action Plan.....	Page E – 5
Funding Resources.....	Page E – 9

Mooresville Parks & Recreation Action Plan 2019-2023

Plan of Action

The following pages form the recommended 5-year Action Plan for Mooresville Park & Recreation.

This matrix of actions should be used as a guide and reviewed quarterly. This will allow for adjustments to keep the plan “fresh”.

The Action Matrix is organized with the stated Actions, related Park Site(s)/Facility, Estimated Costs (if applicable), Funding Source(s), the Action Priority, and suggested Year of Implementation.

In addition, the Action Plan is organized into four (4) Categories:

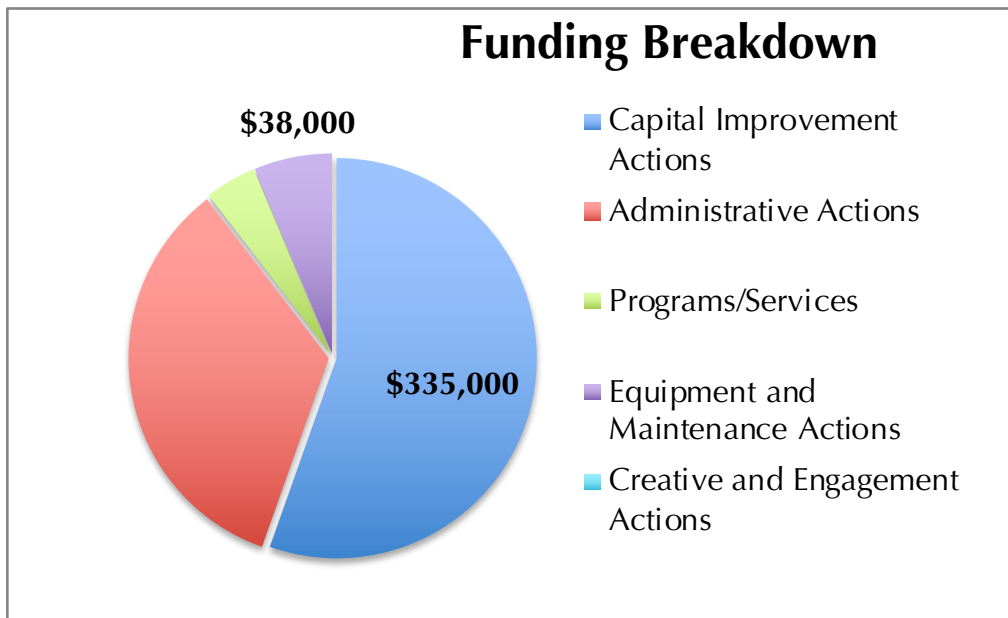

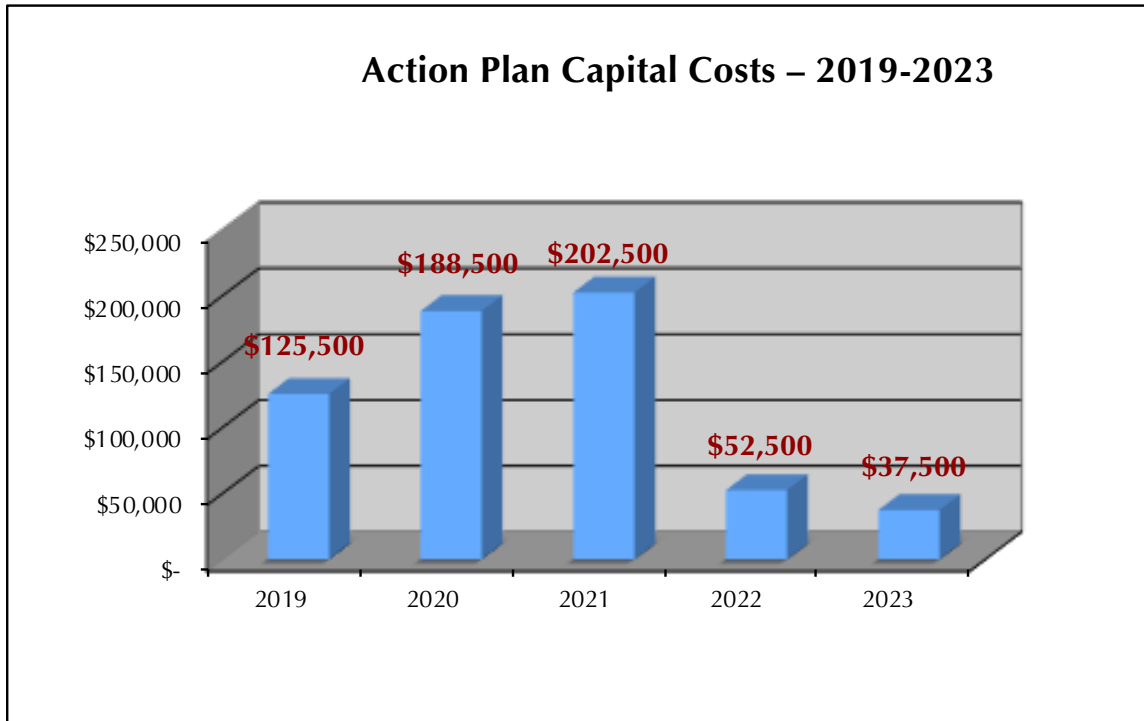

- Capital Improvement Actions
- Administrative Actions
- Programs / Services Actions
- Equipment / Maintenance Actions
- Creative and Engagement Actions

For implementation of Actions over the next 5 years only the “A” Priorities are considered. The “B” and “C” Priorities are noted as potential elements to consider past the next 5 years or, if circumstances permit, to be reassigned to an “A” Priority.

There are several Actions that may be implemented, or assisted by others in collaboration with the Park Department, i.e., City Planning Department, Park Foundation, etc.

In some cases, the Action Year of Implementation is blank. The Park Department felt they would like to further consider an implementation strategy before assigning a timeframe to these Actions.

Action Plan Costs and Funding Summary

Mooresville Parks & Recreation Action Plan 2019-2023

"A" – Primary in next 5 years
 Priority Criteria: "B" – Secondary in next 5 years (5 to 10 years)
 "C" – Unlikely in next 5 years (10 to 20 years)

	A	B	C	D	E	F	G	Five - Year Plan				
	Park Component / Plan of Action	Park Site(s)	Division or Site	Total Cost Estimates (2019 – 2023)	Funding Source	Priority	Notes / Comments	2019	2020	2021	2022	2023
CAPITAL IMPROVEMENT ACTIONS (repairs, new development, land acquisition, etc.)												
1	Construct 1 additional picnic shelter at Pioneer Park	Pioneer		\$ 40,000	NRO, Park	A			\$ 40,000			
2	Establish and implement a Technology Equipment Replacement			\$ 30,000	Park, NRO, NRC	A	Every other year	\$ 10,000		\$ 10,000		\$ 10,000
3	Trailway connections to other parks - work with School Corp for Safe Routes to Schools Grant			\$ 50,000	OG	A				\$ 25,000	\$ 25,000	
4	Strategically expand existing park land for future park development and acquire adjacent acres to existing park land for expanding park.	Park System		TBD		A	Annual basis					
5	Conduct a Mooresville Intermodal Trail/Greenways Master Plan connecting neighborhoods to community destinations in township and county - NextLevel Grant			\$ 25,000	GD, Park	A		\$ 25,000				
6	Plan and Develop trailway and other alternative transportation connectivity options from Pioneer Park to Sodalis Nature Park (Plainfield Parks)			TBD		A	Coordinate with Plainfield Parks	Yes	Yes			
7	Study Plan and develop trailway starting at Samuel Moore Parkway and following Bridge Street east and connecting with Landersdale Trail			TBD		A		Yes	Yes			
8	Plan and develop trail connecting Rooker Run Park to Old Town Park following E. Fork White Lick Creek (under S.R. 67)			TBD		A		Yes	Yes			
9	Plan and develop trail connecting Old Town Park to Pioneer Park following E. Fork White Lick Creek			TBD		A						
10	Plan and Development new Restrooms in Old Town Park	Old Town Park		\$ 100,000		A				\$ 100,000		
11	Add site amenities in Bicentennial Park	Bicentennial		\$ 50,000		A		\$ 25,000	\$ 25,000			
12	Add additional Playground in Pioneer Park	Pioneer		\$ 40,000		A				\$ 40,000		
13	Plan and Develop new Recreation Center in Pioneer Park including offices	Pioneer		TBD		B						
14												
15

Funding Resources

Many are the demands on local government to fund the variety of programs provided to the public sector. Following, is a brief description of the principal resources available to the Park and Recreation Board for implementing programs for recreational purposes.

NRC — Non-Reverting Capital Funds

Non-Reverting Capital Fund Accounts are created for the purpose of acquiring land or making specific capital improvements. All proceeds from the sale of Parks and Recreation Department property and equipment plus special user fees as established by the Parks and Recreation Board shall be deposited into this capital fund.

NRO — Non-Reverting Operations

Non-Reverting Operating funds are created for park purposes from which expenditures may be made by appropriation by the Parks and Recreation Board. All receipts from program participation, event admissions, concessions, rentals, sales of merchandise and food, user fees from golf operations and revenue generated by park operations throughout the park system and rental fees from enclosed facilities shall be deposited into said special non-reverting operating fund.

CP — Civil City Personnel

Each year a significant portion of the Civil City budget is devoted to personnel expenses. These expenses include base salaries, overtime pay, longevity pay based on number of years employed, medical and life insurance benefit coverage, and PERF (Public Employee Retirement Fund) contributions.

CO — Civil City Operations

In addition to the annual appropriation for personnel expenses, the Park Department receives each year from Civil City funds a budget amount for operations for the upcoming year. This money is used to cover maintenance costs associated with park upkeep, departmental office operating expenses, and costs associated with promoting and running the recreation program and special events.

COIT — County Option Income Taxes

Adopted by county councils, city councils and towns, this income tax raises funds for new spending for all local units except schools.

CEDIT — County Economic Development Income Taxes

Revenue raised by CEDIT must be used for economic development projects or public capital projects.

CDBG — Community Block Development Grant

The Community Development Block Grant program is a flexible program that provides communities with resources to address a wide range of unique community development needs. The CDBG program provides annual grants on a formula basis to 1209 general units of local government and States.

CBF — Cumulative Building Fund

A Cumulative Building Fund may be established by the Board to provide money for building, remodeling, and repair of park and recreation facilities; or for the purchase of land for park and recreation purposes.

SA — City Special Appropriation

The City may also, from time to time, appropriate money toward Park Department projects and improvements from other town revenue sources. These sources might include money from the town's Community Development Block Grant budget (CDBG). Also, funds needed to match grant requests are sometimes appropriated from a City matching funds line item.

GD — Gifts and Donations

Donations of money, land, and time are important resources to the Park Department. Many recreation activities and special events would not occur if such donations were not received from individuals, service clubs, and businesses. Also, land donations to the park system have been received since early in the history of the Park Department and, where advantageous, these land donations should be encouraged and received by the Park Board.

GOB — General Obligation Bonds

General obligation bonds, which are retired by tax money, provide a funding source for implementation of large scale projects or improvements. The Park Board can not exceed a set percentage (2%) of the assessed valuation of the taxing district. Public hearings must be held and approval is required by the City Council.

RIF — Recreation Impact Fees

A Recreational Impact Fee Ordinance allows for the new housing developments to assist in the funding of facilities (based on identified recreational standards) to serve that particular population growth. This funding source is not to be used for current facility deficiencies.

HIF — Highway Impact Fees

Similar to the Recreation Impact Fee funding source, the City's Highway Impact Fees can be used for trail development within road right-of-ways.

LWCF — Land and Water Conservation Funds

Administered by the Indiana Department of Natural Resources, Division of Outdoor Recreation, these funds are used most predominantly for park development of outdoor recreation facilities. These grant funds can be utilized to finance up to 50% of the cost of eligible projects and are awarded annually. To qualify for LWCF funds, a city/town must have a park and recreation board established in accordance with state statutes and have an approved Park and Recreation Master Plan.

MAP-21 — Moving Ahead for Progress in the 21st Century

Funding surface transportation programs at over \$105 billion for fiscal years 2013 and 2014, MPA-21 is the first long-term highway authorization enacted since 2005. Under MAP-21, the Transportation Alternatives Program (TAP) will receive about \$780 million for projects such as bike/pedestrian facilities; safe routes for non-drivers; conversion of abandoned railroad corridors for trails; community improvement; and environmental mitigation activities, as well as others.

IHT — Indiana Heritage Trust

The Indiana Heritage Trust was created to fund the purchase of natural areas for public use. Funded by the sale of environmental license plates and donations, the money is used for land acquisition. A Project Committee reviews the proposed projects submitted to the Heritage Trust Committee, which in turn recommends approval by the Governor. The Trust Committee members are appointed by the governor and legislative leaders. A portion of the Heritage Trust funds is available to the Division of Outdoor Recreation for the purchase of land that meets established criteria. Projects could include greenways and land for trails.

RTP —Recreational Trails Program

The Recreational Trails Program (RTP) is an assistance program of the Department of Transportation's Federal Highway Administration (FHWA). Federal transportation funds benefit recreation by making funds available to the States to develop and maintain recreational trails and trail-related facilities for both non-motorized and motorized recreational trail uses. The RTP funds come from the Federal Highway Trust Fund, and represent a portion of the motor fuel excise tax collected from non-highway recreational fuel use: fuel used for off-highway recreation by snowmobiles, all-terrain vehicles, off-highway motorcycles, and off-highway light trucks.

HPF — Historic Preservation Fund Program

Each year, the U.S. Congress appropriates approximately \$37 million to the Historic Preservation Fund (HPF) The HPF provides matching grants to encourage private and non-federal investment in historic preservation efforts nationwide, and assists State, local governments, and Indian tribes with expanding and accelerating their historic preservation activities nationwide. HPF grants serve as a catalyst and "seed money" for preserving and protecting our nation's irreplaceable heritage for this and future generations.

Hoosier Riverwatch Water Monitoring Equipment Grants

Equipment grants are available for volunteer groups interested in monitoring the water quality of local rivers and streams. The grants, administered by the DNR's Hoosier Riverwatch, will help as many as 60 groups establish education and river stewardship programs throughout the state. Non-profit groups, public agencies, environmental clubs and schools are among those eligible for grants. Since 1996, approximately 155 volunteer groups have received equipment and have started monitoring local waterways. This year, 10 grants are reserved for elementary schools to encourage participation in stewardship among young people.

LARE — Lake and River Enhancement

The goal of the Division of Fish and Wildlife's Lake and River Enhancement Section is to protect and enhance aquatic habitat for fish and wildlife, to insure the continued viability of Indiana's publicly accessible lakes and streams for multiple uses, including recreational opportunities. This is accomplished through measures that reduce non-point sediment and nutrient pollution of surface waters to a level that meets or surpasses state water quality standards. To accomplish this goal, the LARE Program provides technical and financial assistance for qualifying projects.

UFC — Urban Forest Conservation Grants

The Urban Forest Conservation (UFC) Grants are intended to help communities develop long term programs to manage their urban forests. Grantees may conduct any project that helps to improve and protect trees and other associated natural resources in urban areas. Community projects that target program development, planning and education are emphasized. Projects

funded in the past include activities such as conducting tree inventories, developing tree maintenance and planting plans, writing tree ordinances, conducting programs to train municipal employees and the public, purchase or development of publications, books and videos, hiring consultants or city foresters, etc. Certified Tree Cities may spend up to 20% of the grant funds on demonstration tree planting projects. Local municipalities, not-for-profit organizations and state agencies are eligible to apply for \$2,000 to \$20,000.

OG — Other Grants

Other grant sources, besides the traditional recreation related ones sponsored by the state and federal government, exist for park improvement projects. Also, there are urban forestry grants available and grants from the Indiana Arts Commission that can be related to park and recreation projects. Private companies are also often sponsors of foundations and grant programs that may be related to an aspect of park and recreation such as tree planting, aid to handicapped persons, or programs for disadvantaged youth. Companies also sometimes sponsor volunteer programs to the community with their employee or executive resources.

Funding Sources

- A. Indiana Department of Transportation
- B. Indiana Department of Natural Resources, Division of Outdoor Recreation
- C. Indiana Committee for the Humanities
- D. Indiana Arts Commission
- E. Indiana Department of Aging and Community Services
- F. Indiana Federal Property Program
- G. Indiana Department of Commerce
- H. Indiana State Board of Health
- I. U.S. Department of Commerce, Economic Development Administration
- J. U.S. Department of Health and Human Services
- K. U.S. Army Corps of Engineers
- L. U.S. Armed Services
- M. U.S. Department of Education
- N. President’s Council on Physical Fitness and Sports
- O. Green Thumb, Inc.
- P. The Nature Conservancy
- Q. Acres, Inc.
- R. The Trust for Public Land
- S. National Association for the Exchange of Industrial Resources
- T. Fish America Foundation
- U. Capital Fund Drive Campaign
- V. Memorial Giving
- W. Deferred Giving
- X. Public-Private Partnerships
- Y. Private Philanthropy
- Z. Park Foundations and “Friends” Groups

The aforementioned funding sources are not intended as an exhaustive list of available sources. In carrying out its responsibilities, the Park and Recreation Board will continue to research various federal grant-in-aid programs and private sector resources that could be utilized in the development of park and recreation projects.

Resolution Adopting the Mooresville Parks Master Plan Update 2019-2023

WHEREAS, the Mooresville Park and Recreation Board is aware of the parks and recreational needs of the residents of the Town of Mooresville;

WHEREAS, the Mooresville Park and Recreation Board is desirous of providing aesthetic and functional parks and recreational facilities and programs to the residents of Mooresville and to meet their needs, and;

WHEREAS, the Mooresville Park and Recreation Board realizes the importance of sound planning in order to meet the needs of its citizenry, and;

WHEREAS, the Mooresville Park and Recreation Board is continually aware of the value and importance of leisure opportunities and recreational programs and facilities to the future of the Mooresville Parks and Recreation Department, its programs and services, and to the residents of Mooresville;

NOW THEREFORE BE IT RESOLVED that the Mooresville Park and Recreation Board, by unanimous declaration, does adopt the *Mooresville Parks and Recreation Master Plan 2019-2023*, dated January 2019, as its official plan for the growth and development of parks and recreation opportunities in Mooresville, Indiana, over the next five years. The Mooresville Park and Recreation Board is committed to an annual review and update of the goals and objectives of this Master Plan.

Passed and signed the _____ day of _____, Two Thousand Nineteen (2019)

Mooresville Park and Recreation Board:

Mark Taylor, *President*

Lynn Adams, *Member*

Danny Shaw, *Vice President*

Erin Bechtold, *Member*

Perry King, *Secretary*

David Pearson, *Member*

Brian Wisser, *Member*

Town of Mooresville

Americans With Disabilities Act

ADA Transition Plan for the Town of Mooresville

Table of Contents

1. Notice under the Americans with Disabilities act
2. Grievance procedure
3. Town evaluation
4. ADA standards and guidelines
5. Implementing plan

1. Notice Under The Americans With Disabilities Act

In accordance with the requirements of title II of the Americans with Disabilities Act of 1990, the Town of Mooresville will not discriminate against qualified individuals with disabilities on the basis of disability in the Town's services, programs, or activities.

Employment: The Town does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under title I of the Americans with Disabilities Act (ADA).

Effective Communication: The Town will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the Town's programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: The Town will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all Town programs, services, and activities. For example, individuals with service animals are welcomed in Town offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a County program, service, or activity, should contact the Town ADA office as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the Town to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a Town program, service, or activity is not accessible to persons with disabilities should be directed to (317)-831-9545.

The Town will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.

2. Town of Mooresville Grievance Procedure under the Americans with Disabilities Act

This Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 ("ADA"). It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the Town of Mooresville. The Town's Personnel Policy governs employment-related complaints of disability discrimination.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities upon request.

The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 30 calendar days after the alleged violation to:

Dave Moore
4 E Harrison St
Mooresville, IN 46158

Within 15 calendar days after receipt of the complaint, Dave Moore or his designee will meet with the complainant to discuss the complaint and the possible resolutions. Within 15 calendar days of the meeting, Dave Moore or his designee will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, Braille, or audio tape. The response will explain the position of the Town and offer options for substantive resolution of the complaint.

If the response by Dave Moore or his designee does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 15 calendar days after receipt of the response to the Director of Public Works or his designee.

Within 15 calendar days after receipt of the appeal, the Director of Public Works or his designee will meet with the complainant to discuss the complaint and possible resolutions. Within 15 calendar days after the meeting, the Director of Public Works or his designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by Dave Moore or his designee, appeals to the Director of Public Works or his designee, and responses from these two offices will be retained by the Town for at least three years.

3. Town evaluation

The Town of Mooresville has started to conduct an evaluation and inventory of curbs, ramps, and sidewalks. This evaluation is based on requirements presented by the justice department, ADA title II guidelines and requirements. The majority of these do not meet ADA requirements. The Town is committed to making all sidewalks and curb ramps accessible to all pedestrians including those with disabilities. This will be accomplished by following these guidelines:

- All new construction, reconstruction, roadwork construction or alterations, including federal projects under the control or supervision of the Department of Public Works will be in compliance of ADA.
- The Town will have in place a sidewalk repair program that is reviewed and updated annually. The program will allot \$10,000.00 annually for the repair and replacement of sidewalks and curb ramps to meet ADA compliance. Non-compliant ramps and sidewalks will be prioritized.

4. ADA Standards and guidelines

The standards are intended to apply to all updates and new construction undertaken within the Town. The department of justice, ADA Title II requirements and guidelines will serve as the primary standard for this plan. Other standards, if necessary, will be applied at the discretion of the ADA coordinator.

5. Implementing Plan

The Town has already started to implement this plan, and will continue to update it as the mapping and evaluations of all sidewalks and curb ramps are completed. The Town is committed to following the guidelines set forth in the transition plan, and to actively revise and update the plan as new guidelines and requirements are made.

Town of Mooresville Grievance Procedure under The Americans with Disabilities Act

This Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 ("ADA"). It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the Town of Mooresville. The Town's Personnel Policy governs employment-related complaints of disability discrimination.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities upon request.

The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 30 calendar days after the alleged violation to:

Dave Moore
4 E Harrison St
Mooresville, IN 46158

Within 15 calendar days after receipt of the complaint, Dave Moore or his designee will meet with the complainant to discuss the complaint and the possible resolutions. Within 15 calendar days of the meeting, Dave Moore or his designee will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, Braille, or audio tape. The response will explain the position of the Town and offer options for substantive resolution of the complaint.

If the response by **Dave Moore** or her designee does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 15 calendar days after receipt of the response to the Director of Public Works or his designee.

Within 15 calendar days after receipt of the appeal, the Director of Public Works or his designee will meet with the complainant to discuss the complaint and possible resolutions. Within 15 calendar days after the meeting, the Director of Public Works or his designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by Dave Moore or his designee, appeals to the Director of Public Works or his designee, and responses from these two offices will be retained by the Town for at least three years.

1	dog park	12/20/2018 7:32 PM
2	Indoor recreation	12/19/2018 5:38 AM
3	Summer nites at the movies in the pool. Adults only	12/17/2018 10:03 PM
4	Indoor basketball courts- top priority	12/17/2018 6:58 PM
5	More parking, especially near soccer fields. Baseball parking needs to be maintained better	12/15/2018 8:33 PM
6	There is a need for an indoor pool facility that gives access to Mooresville residents opportunity without driving clear to Martinsville.	12/15/2018 6:07 PM
7	Add more to the pool facility such as a lazy river.	12/13/2018 4:32 PM
8	Would love to see a dog park where I can let my dog off her leash!	12/9/2018 10:36 AM
9	More activities at Bicentennial Park.	11/27/2018 9:33 AM
10	Update the MFAC!!! New restrooms, nicer deck equipment, instead of old splash pad add a shallow dump-bucket play area for kids	11/26/2018 8:49 PM
11	Update the pool.	11/26/2018 8:48 PM

Q6 What elements for improving Mooresville Parks are needed but not currently provided?

Answered: 94 Skipped: 60

#	RESPONSES	DATE
1	Maybe a dog park section??	1/6/2019 9:55 AM
2	More restrooms/one open year round?	1/4/2019 11:12 AM
3	Trail upkeep	1/2/2019 2:47 PM
4	More parking, especially during soccer season. Indoor activity space (asking a lot) but similar to Plainfield aquatics center.	1/2/2019 2:31 PM
5	Supervised activities for young teens they have alot of energy. Keep them busy they stay out of trouble. Thank you!!!	12/28/2018 1:58 PM
6	Not sure at the moment. The Mooresville Parks do a really good job. Maybe more programs/activites like the Waverly Town Park does?	12/20/2018 9:34 PM
7	dog park	12/20/2018 7:32 PM
8	Indoor swimming	12/20/2018 5:52 PM
9	Water fountains	12/20/2018 5:05 PM
10	More leisure activities, disc golf, bocci ball.	12/20/2018 4:30 PM
11	Na	12/20/2018 4:01 PM
12	Indoor clubhouse with kitchenette, available for rental of family gatherings etc.	12/20/2018 12:46 PM
13	Additional staff for nature programs	12/19/2018 10:40 PM
14	I am not sure what is provided to be able to answer this. I think the playgrounds just need to be maintained and updated regularly for children.	12/19/2018 10:02 PM
15	Arts and crafts summer programs that take place after parents get home from work	12/19/2018 7:41 PM
16	A large festival enclosure like the one Fort Wayne has in their park near the river would be nice.	12/19/2018 10:06 AM
17	Bathrooms	12/19/2018 8:31 AM
18	I don't know	12/19/2018 7:48 AM
19	Indoor recreation space, similar to a Y facility. Indoor courts, weigh rooms, indoor walking track, pool, etc	12/19/2018 7:39 AM
20	Indoor recreation	12/19/2018 5:38 AM
21	Walking groups for all ages	12/19/2018 1:21 AM
22	Put old settlers back at the old town park	12/19/2018 12:14 AM
23	Mountain bike trails	12/18/2018 11:01 PM
24	1.Paths in town to get to the park safely. 2. Community center with indoor facilities. 3. Recycling	12/18/2018 11:01 PM
25	N/A	12/18/2018 10:01 PM
26	Dog park area	12/18/2018 9:28 PM
27	Bug control	12/18/2018 9:25 PM
28	More bathrooms	12/18/2018 9:09 PM
29	Unsure	12/18/2018 8:41 PM
30	Would like to see better grooming of the big soccer fields, those fields are sometimes embarrassing when hosting out of town teams. Also more shelter areas near the soccer fields	12/18/2018 8:14 PM

Mooresville Park District 2018 Community Survey

31	Connecting trails to other areas of town. More walking areas/plantings (for example, along Samuel Moore or connecting to trail on Landersdale) MORE native plantings.	12/18/2018 5:43 PM
32	More activities for kids	12/18/2018 4:07 PM
33	Just more shelters	12/18/2018 2:52 PM
34	More/updated bathrooms	12/18/2018 2:42 PM
35	Indoor pool with year around access	12/18/2018 2:39 PM
36	x	12/18/2018 2:25 PM
37	Indoor sports facility	12/18/2018 1:50 PM
38	Indoor facilities	12/18/2018 1:49 PM
39	Stop cutting down mature trees.	12/18/2018 1:19 PM
40	I think an indoor community type center. Just a mooresville resident excercise, kid jungle gym type thing.	12/18/2018 1:10 PM
41	Indoor gym and pool area	12/18/2018 7:25 AM
42	Rec center that offers a gym	12/17/2018 11:26 PM
43	Better ran summer rec and you program. Include cooking, more swim, arts and science.	12/17/2018 10:44 PM
44	Buildings for weddings. Rentals	12/17/2018 10:03 PM
45	An area for dogs to run off leash	12/17/2018 9:43 PM
46	Indoor recreational facilities for year round excercise and activities would benefit our community greatly.	12/17/2018 6:58 PM
47	Youth center for kids. There needs one like Martinsville	12/17/2018 6:52 PM
48	Would love more natural trails (not asphalt)	12/17/2018 6:43 PM
49	More parking	12/15/2018 8:33 PM
50	Indoor pool facilities.	12/15/2018 6:07 PM
51	Increasing parking, indoor activity park would allow the community more active options in winter months and increase park revenue. I also believe new adult and youth/teen programs could help reduce risky behavior and increased health.	12/15/2018 9:13 AM
52	Arts & craft classes again. Basket making, baking, woodworking, etc	12/14/2018 7:09 AM
53	Indoor recreational facility would be great during winter months, birthday parties, and etc. Perhaps an additional large playground for kids. The main playground gets pretty crowded during the summer. Maybe add more interactive activities for kids such as something similar to an American ninja course. Balance beams, climbing activities, monkey bars etc.	12/14/2018 5:46 AM
54	More woosy areas.	12/14/2018 12:02 AM
55	Na	12/13/2018 9:12 PM
56	I think they already do a fantastic job of taking care of the park	12/13/2018 8:30 PM
57	Better access to creek	12/13/2018 7:54 PM
58	It would be very nice if there could be a dog park built.	12/13/2018 6:51 PM
59	Dog park	12/13/2018 6:32 PM
60	An indoor facility!	12/13/2018 6:21 PM
61	Keeping the pool open longer	12/13/2018 5:40 PM
62	A large lazy river for the pool area	12/13/2018 5:13 PM
63	Indoor facility. Swim aerobics	12/13/2018 4:32 PM
64	Tennis court, indoor rec center	12/13/2018 4:05 PM
65	Indoor space	12/13/2018 11:05 AM
66	Dog Park	12/9/2018 10:36 AM

Mooresville Park District 2018 Community Survey

67	indoor/all season area	12/5/2018 10:22 PM
68	Environmental responsibility, such as recycling waste, mulching debris from trees and brush. Burning refuse in the park stinks and is unhealthy for neighbors	12/5/2018 8:44 PM
69	Indoor facility like Plainfield Rec Center and Pool	12/3/2018 8:04 PM
70	More adult programming	11/30/2018 3:56 PM
71	Need more adult programs	11/29/2018 9:07 PM
72	Indoor recreation space.	11/28/2018 10:10 PM
73	I've heard many people ask for a dog park, because they have to go to Plainfield	11/28/2018 5:48 PM
74	Recreational Softball for adults with additional fields for that purpose would be a suggestion.	11/27/2018 10:40 PM
75	Pool hours too short	11/27/2018 10:37 PM
76	?	11/27/2018 10:17 PM
77	I believe the playgrounds need to be playgrounds again; today nearly everywhere there are the "cookie-cutter" sets that get ordered out a catalog. Let's bring it back to the castle style playgrounds that were made out of wood with some sandboxes (and landforms)! Kids love these are lets them not only be creative and aid in development, but they do not have age restrictions on them in the same way the catalog sets do. Also, it would be nice to see some nature learning centers such as for pollination gardens/rain gardens etc. that are geared not only for kids but families and adults as well. Something interactive would be neat.	11/27/2018 3:54 PM
78	Indoor workout area	11/27/2018 1:05 PM
79	Making sure the lighting is consistent at the Bicentennial Park.	11/27/2018 12:06 PM
80	The pool season is way too short. Other pools stay open until Labor day.	11/27/2018 11:45 AM
81	More resources to care for current projects and facilities.	11/27/2018 11:19 AM
82	Wildlife habitat and educational wildlife programs. See Hendricks county programs.	11/27/2018 11:09 AM
83	More teen to senior events	11/27/2018 10:54 AM
84	I'd love to see a splash park that is not connected to the aquatic center. An amphitheater in Pioneer Park would have been nice.	11/27/2018 9:50 AM
85	I would like to see a master plan to improve walking/bicycling trail ways throughout Mooresville connecting parks and other significant landmarks.	11/27/2018 9:33 AM
86	Update the MFAC! Love coming there but it's so run-down and gross- that has to be a big summer income area, so why not make it more enjoyable for people to come spend money at?	11/26/2018 8:49 PM
87	Pool bathhouse updated and updates on the pool	11/26/2018 8:48 PM
88	More Parking especially in the soccer area.	11/26/2018 8:37 PM
89	Indoor recreation	11/26/2018 6:05 PM
90	more nature and conservation education teen resources/safe place for teens	11/26/2018 5:32 PM
91	Indoor recreation. I come from an area with indoor recreational facilities that I used year round for swimming, exercise, group parties, after school sports, etc. we paid a yearly fee to access these facilities and I would be willing to pay for something like that in Mooresville.	11/26/2018 4:59 PM
92	The locker room at the pool and the pool options	11/26/2018 4:39 PM
93	Flooding of trails.	11/26/2018 4:31 PM
94	Mooresville needs a indoor recreational center	11/26/2018 4:21 PM

INTERLOCAL AGREEMENT BETWEEN
CIVIL TOWN OF MOORESVILLE,
MOORESVILLE PARK & RECREATION DISTRICT
AND
MOORESVILLE CONSOLIDATED SCHOOL CORPORATION

WHEREAS, the Civil Town of Mooresville and the Mooresville Park & Recreation District ("Mooresville") and the Mooresville Consolidated School Corporation ("School") are all partially funded by tax dollars;

WHEREAS, Mooresville and School each have maintenance equipment and personnel which are required for properly maintaining their physical plants and grounds;

WHEREAS, in the past and looking forward to the future each of the entities understands the benefit of allowing the exchange and use of certain equipment for the benefit of the other as opposed to the cost of renting or the purchasing of additional equipment;

WHEREAS, Mooresville and School are cognizant of the cost and use of taxpayer dollars and desire to work together through

the exchange and sharing of equipment as needed through cooperation between these entities to help reduce costs and use of tax dollars;

WHEREAS, Indiana Code allows for and encourages the use of interlocal agreements to assist governmental entities in cooperating to better serve the public by cost cutting measures;

NOW, THEREFORE, Mooresville and School enter into this Interlocal Agreement as follows:

1. Mooresville and School agree to mutually exchange equipment and assist one another whenever possible by allowing the use of their respective equipment.

2. Mooresville and School shall each maintain full responsibility for the other's equipment while in their possession and shall be responsible for returning all equipment in the same condition as it was in when received, routine maintenance excluded.

3. Mooresville and School shall each be responsible for any required repairs of equipment of the other while in their possession which were created by their use and, in addition, each shall be responsible for any damages or losses to person or property during the use of any equipment in their possession regardless of actual ownership of the equipment. Each shall be responsible for holding the other harmless from any losses incurred due to the use of the other's equipment while said

equipment is in the possession and control of the other entity.

4. This Agreement shall be approved by the Town Council, the Mooresville Park & Recreation District Board and the Mooresville Consolidated School Board and shall remain in effect until repealed in writing by any of the aforementioned governmental entities.

5. This Agreement may be amended from time to time by written agreement of the parties.

6. This Agreement may be terminated by any of the governmental entities at any time with thirty (30) days' written notice.

7. It is understood and agreed that either of the parties shall, to the extent permitted by law, defend, indemnify and save harmless the other party, its officials and employees from all claims, suits or actions of every kind and description resulting from the performance under this Agreement.

8. This Agreement shall be recorded in the Office of the Morgan County Recorder within sixty (60) days of the date of the Agreement and a copy shall also be filed with the Indiana State Board of Accounts to be compliant with IC 36-1-7-6. No money will be exchanged and the Agreement will be approved by each of the corporate bodies so compliance with IC 36-1-7-4 is met without Attorney General approval.

This Agreement approved and passed at a public meeting on
this _____ day of _____, 2014.
